More than a decade ago, parents of KF seniors saw a need to create the Klein Forest Celebration After Prom Committee. Faced with the alarming statistics that prom night has the highest incidence of alcohol and other drug related auto accidents of teenagers, concerned parents took action. The goal of the KF CAP was to provide a fun, alcohol and drug free event for our students to continue their very exciting prom experience and deter an otherwise unfavorable alternative.

The Parents of the class of 2011 are excited to continue this tradition and are actively working to ensure that this years CAP is a great success. Because the Celebration after Prom is financed largely in part through fund raising, we depend on a collaborative effort by the parents, the students, school, community and businesses in our area to help fund the event. We hope that you will consider partnering with us to help achieve our goal.

KFCAP is a non-profit, tax-exempt group (#11419176414) as designed in Section 501(c)3 of the Internal Revenue code and we would greatly appreciate your monetary donations, merchandise or gift cards for door prizes and any other support that you may be able to offer. If you are willing to send a donation, please mail it to the school and make it payable to :
